- Attach an authorizing resolution designating a representative who is authorized to submit this application on behalf of the Responsible Unit and to handle all grant actions. - Available funding will be divided by the total population of all qualified Responsible Units, as defined by population statistics provided to the DNR by the Wisconsin Department of Administration. To be eligible, Responsible Units must have received a Basic Recycling Grant in both 2001 and 2003.
- Each qualified applicant will receive a disbursement, based on a flat per capita rate. NOTE: For 2003, a grant under this program, when combined with an Responsible Unit's basic recycling grant, may not exceed the net eligible recycling expenses that the Responsible Unit incurred and reported for calendar year 2001.
